This License Agreement and Terms of Use (the “**Agreement**”) applies to the Work (as defined below) and describes your obligations and the terms and conditions to which you agree to use the work. Any use of a Work other than as described in this Agreement is strictly prohibited.

By making any use of a Work you hereby agree to be bound by this Agreement. In consideration of your agreement to be bound by the terms and conditions contained in the Agreement, The Radiological Society of North America (RSNA) grants you the rights contained herein.

1. Definitions.

“**Licensor**” shall mean The Radiological Society of North America (RSNA).

“**Legal Entity**” shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, “control” means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

“**You**” (or “**Your**”) shall mean an individual or Legal Entity exercising permissions granted by this Agreement.

“**Work**” shall mean the current Release Version and any previous version of RadLex®, and any work of authorship related to the Release Version of RadLex® made available under this Agreement, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

“**Adaptation**” shall mean any work in any medium that is based on (or derived from) the Work including derivative works, editorial revisions, annotations, elaborations, or other modifications or adaptations that may or may not, as a whole, represent an original work of authorship.

“**Contribution**” shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is submitted to Licensor by the copyright owner or by an individual or Legal Entity authorized to submit on

behalf of the copyright owner. For the purposes of this definition, “submitted” means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on customer feedback mechanisms, Licensor’s website, electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work.

“**Contributor**” shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

“**RadLex®**” shall mean all of the materials, documentation and works or authorship related to the Work in any and all media and formats including, the RadLex® Master Ontology, the Release Version of RadLex® and the RadLex® Playbook.

“**Release Version of RadLex®**” shall mean the released version of RadLex® made available under this Agreement, as indicated in a copyright notice that is included in or attached to the released version of RadLex®.

“**RadLex® Master Ontology**” shall mean the master version of RadLex® controlled and under development by the RadLex® Steering Committee and is distinct from the Release Version of RadLex®. The RadLex® Master Ontology is not available for distribution under any circumstance and is not covered by this Agreement or license.

“**RadLex® Playbook**” shall mean the works of authorship, individually and collectively, that is a portion of a Release Version of RadLex® that provides a standard, comprehensive lexicon of radiology orderables, performables, protocol names and procedure step names and associated attributes and values made available under this Agreement, as indicated in a copyright notice that is included or attached to the RadLex® Playbook.

2. Grant of Copyright License. Subject to the terms and conditions of this Agreement, Licensor hereby grants to You a worldwide, non-exclusive, no-charge, royalty-free copyright license to reproduce, prepare Adaptations of, publicly display, publicly perform, sublicense, and distribute the Work and such Adaptations in any medium.

3. Redistribution. You may reproduce and distribute copies of the Work or Adaptations thereof in any medium, with or without modifications provided that You meet the following conditions:

- a. You must provide notice of and give any other recipients of the Work or Adaptations a copy of this Agreement;
- b. You must cause any Adaptations to carry prominent notices stating that You changed the original Work and include a short description of the changes, additions, or transformation of the original Work;
- c. You must cause any Adaptation, the title of any Adaptation and any

communication referring to an Adaptation to clearly identify that the Adaptation is not the original Work and that it is not endorsed by, affiliated with or approved by Licensor, unless otherwise agreed in writing by Licensor. An acceptable identification of an Adaptation is "Licensee's Reporting System based on RadLex."

- d. Changes introduced in Adaptations shall be limited to:
 - i. Addition of new term attributes and corresponding values
 - ii. Addition of new relations between terms
 - iii. Additions or modifications that would not result in confusion between existing terms, attributes, or descriptions.
 - iv. Additions or modifications that do not circumvent the prohibitions described in section 3(d) below.
 - v. Other modifications that do not change the underlying semantics of existing terms and that are clearly described in the Adaptation.
- e. Changes to the following elements of the Work are not permitted in Adaptations:
 - i. For RadLex® clinical terms:
 - 1. Radlex® unique identifier (RID)
 - 2. Name, including any translations of the name provided in RadLex®
 - 3. Synonym
 - 4. Ontologic relations to other terms
 - ii. For RadLex® Playbook terms:
 - 1. RadLex® Playbook unique identifier (RPID)
 - 2. Exam letter code
 - 3. Short Name
 - 4. Long Name
 - 5. Description
 - 6. Existing attribute-value pairs associated with each term

7. RadLex® Attributes and their names

- f. You must retain all copyright, patent, trademark, and attribution notices that are included in the original Work and in any reproduction or Adaptation of the Work; and
- g. If the Work includes a disclaimer or other similar information as part of its distribution, then any Adaptation that You distribute must include a readable copy of the notices contained within such disclaimer.

You may add Your own attribution notices within Adaptations that You distribute, alongside or as an addendum to the attribution notices from the Work, provided that such additional attribution notices cannot be construed as modifying this Agreement.

You may add Your own copyright statement to Your modifications or additions that you may have a separable copyright interest in. Your copyright statement may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications or additions, provided that such copyright statement and Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this Agreement and such additional or different terms include the grant of a license for the redistribution and adaptation of Your modifications or additions to third parties in manner substantially similar to the license granted by this Agreement.

- 4. **Submission of Contributions.** You hereby assign, grant, or otherwise convey to Licensor all rights, title and interest in any Contribution submitted by You to the Licensor that is related to a Work. Your submissions shall be under the terms and conditions of this Agreement, without any additional consideration, terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

You also warrant that you have the authority to submit any Contribution submitted by You to the Licensor and that your Contribution does not infringe or violate the rights of any third party. You hereby release, indemnify and hold harmless RSNA, including its officials, employees, representatives and agents, successors and assigns, and its licensees from any claims that may arise regarding the use of your Contribution(s).

- 5. **Trademarks.** This Agreement does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the attribution or copyright notice required under this Agreement. You shall not use the trademarks RSNA, RadLex, RadLex Playbook, RadLex Master Ontology, any element thereof or any confusingly similar expression without Licensor's express written permission except as required under the attribution or copyright notice requirements of this Agreement.

- 6. **DISCLAIMER OF WARRANTY.** ALL INFORMATION AND MATERIALS PROVIDED BY

LICENSOR RELATED TO THE WORK AND INCLUDING THE WORK ARE PROVIDED ON AN "AS IS," "WHERE IS" AND "WHERE AVAILABLE" BASIS AND SUBJECT TO CHANGE WITHOUT NOTICE. LICENSOR DOES NOT WARRANT THE WORK OR INFORMATION RELATED TO THE WORK EITHER EXPRESSLY OR IMPLIEDLY, FOR ANY PARTICULAR PURPOSE AND EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. LICENSOR DOES NOT GUARANTEE THE ACCURACY, VALIDITY, TIMELINESS OR COMPLETENESS OF THE WORK OR ANY INFORMATION RELATED TO THE WORK. LICENSOR DOES NOT WARRANT THAT USE OF THE WORK OR THE INFORMATION RELATED TO THE WORK WILL BE ERROR-FREE, THAT DEFECTS WILL BE CORRECTED, OR THAT USE OF THE INFORMATION RELATED TO THE WORK OR THE WORK WILL MEET OR COMPLY WITH ANY STANDARDS OR CAN BE APPLIED TO ANY OR ALL SYSTEMS OR INFRASTRUCTURE.

7. Disclaimer of Liability. You assume all responsibility and risk for the use of the Work and information related to the Work. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall Licensor or anyone else involved in creating or maintaining the Work or an Adaptation be liable for any DIRECT, INDIRECT, INCIDENTAL, SPECIAL or CONSEQUENTIAL DAMAGES, or LOST PROFITS that result from the use or inability to use the Work or any Adaptation. Nor shall Licensor be liable for any such damages including, but not limited to, reliance by any individual or legal entity on any information related to the Work or on the Work; or that result from mistakes, omissions, interruptions, deletion of files, viruses, errors, defects, or any failure of performance, communications failure, theft, destruction or unauthorized access by Licensor.

In states which do not allow some or all of the above limitations of liability, liability shall be limited to the greatest extent allowed by law.

8. Accepting Warranty or Additional Liability. While redistributing the Work or Adaptations thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this Agreement. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

9. Termination. The license and rights granted herein will terminate automatically upon any breach by You of the terms of this Agreement. Subject to the terms of this Agreement, the license granted herein is perpetual. Licensor reserves the right to modify the terms of this Agreement and to license the Work under different terms in the future without notice.

10. Miscellaneous.

- a. If any provision of this Agreement is invalid or unenforceable under applicable law, it shall not affect the validity or enforceability of the remainder of the terms of

this Agreement, and without further action by the parties to this agreement, such provision shall be reformed to the minimum extent necessary to make such provision valid and enforceable.

- b. No term or provision of this Agreement shall be deemed waived and no breach consented to unless such waiver or consent shall be in writing and signed by the party to be charged with such waiver or consent.
- c. This Agreement constitutes the entire agreement between the parties with respect to the Work licensed here. There are no understandings, agreements or representations with respect to the Work not specified here. Licensor shall not be bound by any additional provisions that may appear in any communication from You. This Agreement may not be modified without the mutual written agreement of the Licensor and You.
